...where neighbors meet neighbors

April 2019

Dear West Hartford LifeLearn Instructor,

After 66 years of providing quality enrichment and personal development experiences to the residents of West Hartford and neighboring community members, we regret to inform you that at the conclusion of the Summer Options 2019 semester, the LifeLearn program will no longer operate as an enrichment entity of West Hartford Continuing Education. We have greatly valued our relationship with you and thank you for your loyalty and friendship over the years. Your knowledge, talent and passion for your craft and subject matter have been of tremendous benefit and reward to the West Hartford community and surrounding towns. Therefore, we hope that you will consider West Hartford Leisure Services as a provider for your course offerings.

West Hartford LifeLearn has enjoyed a longstanding relationship with West Hartford Leisure Services. Each year, we have shared a fall semester catalog which offered hundreds of dynamic indoor, outdoor and online recreational and educational programs for individuals of all ages. The programs offered by West Hartford Leisure Services take place in safe, professionally maintained and accessible facilities. Leisure Services extends an invitation to the instructors of West Hartford LifeLearn to discuss the potential to continue teaching what you love and what the community enjoys. You may contact West Hartford Leisure Services directly via the email address or phone number provided below.

Although we are sad to bring closure to over six decades of providing high quality programs and services, while promoting positive community engagement, we are pleased to know that our friends at West Hartford Leisure Services will continue to offer a variety of opportunities for enjoyment and personal development. We hope that you can enhance their program as you have done for West Hartford LifeLearn.

If you would like to propose a future course offering to West Hartford Leisure Services, please contact Marc Blanchard, Manager West Hartford Leisure Services via email at Mblanchard@westhartfordct.gov or by phone at 860-561-7516. If you have questions at any time during the LifeLearn transition phase, please contact Roszena Haskins or Ruthann Kozlowski at 860-561-6900 or whconted@whps.org.

Sincerely,
Roszena L. Haskins
